## Part III: Description of Applicant's Situation

A. **On a separate sheet (see page 6)**, please describe the circumstances leading to the present situation of need. Attach any additional documentation or information that may be helpful in explaining the situation and the necessity.

B. Request Amount: Our goal is to offer financial assistance to allow the recipient some peace of mind during their time of need. Recipients' financial needs are often much larger than 4PeteSake has the ability to fund. In general, we are not able to fund large medical bills or pay off large amounts of debt. Usually recipients receive funds to pay routine bills, offset household expenses, or to purchase items that aren't otherwise affordable (i.e. prosthetic leg, reliable transportation).

With that in mind, please tell us an amount of money that would offer you peace of mind for the next 6-12 months:
