ABOUT 4PETESAKE

Since 2005, 4PeteSake has provided over \$1 million of assistance to more than 100 recipients.

4PeteSake is run by a 11-member volunteer group. The independent committee is part of the public outreach program of Christ Lutheran Church, which gives 4PeteSake access to a 501(c)3 organization, allowing contributions to be tax-deductible.

The committee chooses at least one recipient each year through an application process. Recipients must live within the boundaries of the River Valley School District and find themselves in circumstances, through no fault of their own, for which assistance is needed. All recipients must have medically related needs.

The group's mission is to raise money to assist recipients in a way that can substantially change their circumstances and impact their quality of life.
